By participating in this consignment sale, I agree to abide by all rules regarding the sale. I understand that sale proceeds will be disbursed within a 60-day period after the sale.

Cost: I also understand that all consignments will be charged a uniform sales commission of 8% to cover shared expenses from all consignors for advertising, catalogs, sale bidding platform, etc. I agree that commission will be charged on any last bid received on the sale platform and it constitutes the basis for sale expense, which includes floor prices, pass outs, etc., and the seller will be charged 8% commission for the sale or 8% commission for buybacks, based on this number. I understand that any buyback or reserve limit must be submitted on the entry form, or I can bid on the animal and buy it back myself. I understand that entry fees ($50 per animal and consignors must be NCHCA members) are not refundable. Any lots withdrawn after August 30, 2026, will be assessed a $150 cancellation fee, in addition to the entry fee they already paid.

No Published Minimums: The NCHCA Sale does not and will not publish reserves or indicate if an animal has met a reserve on the sale. It is the responsibility of the seller to set a reserve limit price as outlined above, but it will not be published. Anyone found to publicly share reserve prices may be banned from participating in future sales.

Permission: I give the Females of Fall Sale presented by North Central Highland Cattle Association committee permission to use my information and the images provided to promote my submissions as they see fit.

Halter Broke: All sale animals will be led to the sale ring for the auction and must be halter broke. Animals will be presented live to sellers, but we also encourage you to take quality photos and videos to help promote your animals to interested buyers.
